1	We really need this facility and St. Margaret's lacks so much in comparison to the other school already.	3/23/2016 3:11 PM
2	The only reason I don't need to use breakfast club is because I had to change work hours (9:30-5:30) to enable me to drop them off at school & do my commute. Otherwise I would use it.	3/18/2016 12:04 AM
3	Great idea. This would allow more after school time to spend with child as can get to work earlier and be home earlier.. Fingers crossed it transpires!	3/17/2016 10:17 PM
4	I love the idea of a breakfast club.	3/17/2016 8:58 PM
5	I think it is a fantastic service to offer.	3/17/2016 3:26 PM
6	It's a great idea for St Margarets and I would certainly my use it a couple of times a week as long as it wasn't too expensive, I have 2 children and I feel £3.50 per child is too expensive.	3/17/2016 3:23 PM

7	As above. We have 3 children. £3.50 is too expensive. Our previous Midlothian school ran a non profit breakfast club at £1 a head for juice/milk/water and cereal & toast. My children enjoyed breakfast club very much and I was staffed by learning assistants	3/17/2016 2:23 PM
8	I think for a few parents that need it, it would be a good idea. My situation at the moment I don't need it but it would have been handy for my previous job. It might also encourage children to eat a proper breakfast.	3/17/2016 2:11 PM
