School will probably be open on Wednesday 12th August 2020.

My teacher is going to be Mrs Baxter and Mrs Duff.

and

There may be other adults in the class to help me. This is Miss Templeman.

This will be my classroom in Primary 1.

I can look at the video of the school on the school website.

On my first day at school my teacher will talk to me being in primary 1.

I will wash my hands more often during the day.

If I feel worried or sad I can tell an adult.

An adult will help keep me safe.

It might be fun to be in school and see other children.
